

MAFIA GAME

이미지 프롬프트

[Image FX 사용]

- Dark Korean webtoon style illustration, mafia game concept.
- Five characters walking forward together toward the viewer, confident and tense atmosphere.
- Overall dark and moody color palette, low saturation, cinematic lighting, strong shadows.
- Each character has a distinct role and action:
 - - One character carrying a sniper rifle slung on their back.
 - - One character licking a small dagger with a dangerous smile.
 - - One character wearing a police-like outfit, holding a handgun in one hand only.
 - - One character wearing glasses, holding a laptop, looking calm and intelligent.
 - - One character dressed as a nun, hands together in prayer, mysterious and unsettling.
- Urban night background, crime, betrayal, and psychological tension,
- dramatic composition, dynamic walking pose,
- detailed facial expressions,
- high-quality Korean webtoon (manhwa) style, sharp lineart, detailed shading.
